AMR Universal LTD

INTERNATIONAL TRADING · PAPER & BOARD · FERROUS & NON-FERROUS

LONDON · ROTTERDAM · NEW YORK

We buy and sell paper. We have done so across three continents, in every grade, at every scale.

A discreet, relationship-driven trading house moving physical commodity between mills, printers, converters, foundries and yards. Founded by Nishant Makhija.

PAPER & BOARD — THE PRIMARY DESK

Prime reels & sheets
Testliner, kraftliner, fluting; coated and uncoated woodfree; folding boxboard and other boards. Full runs and regular programmes.

Stocklots & side-runs
Over-makings, trial runs, non-standard sizes, single-lot clearances — described honestly.

Redundant & surplus
Aged and cancelled stock purchased outright. Collection anywhere in the UK and Europe, with discretion.

Recovered grades
Printed and unprinted waste, converter offcuts, baled grades for mill consumption.

METALS — THE SECOND DESK

Steel
HMS 1&2, shredded, plate and structural. ISRI basis, containers or bulk, weighbridge tickets supplied.

Aluminium
Extrusions, castings, UBC, wheels. Clean, segregated, assay on request.

Cast iron
Machine breaks, engine blocks, demolition arisings. Drained, free of contamination.

TERMS, IN BRIEF

Incoterms® 2020 — EXW, FOB, CIF, DAP. Payment — LC at sight, CAD, TT against documents. Weights — certified loading weights, 0.5% franchise. Claims — fourteen days, on evidence, settled quickly. Law — England & Wales. Every contract concluded individually.
